GENERAL TERMS AND CONDITIONS

Aperion Surfaces luxury vinyl flooring is warranted as indicated above in continuous climate-controlled interior environments. The following general terms and conditions apply. If you have questions regarding the warranty information, please contact your retailer or Aperion Surfaces sales representative.

1. These warranties apply only to the original owner and the first installation of the product and are nontransferable. The “original owner” is the person stated as the buyer on the purchase document(s).

2. Aperion Surfaces will, at its option, repair or replace product not meeting the above-listed warranties according to the proration schedule set out below. When replacement of the flooring is made, only new material from the current product range at the time of the claim will be supplied by the distributor or retailer. If the product was originally professionally installed, Aperion Surfaces will evaluate additional costs associated with any defective product and, at its option, may choose to provide assistance. It may

be necessary to engage a certified inspector to assess the reported issue(s). Aperion Surfaces will determine if such engagement is necessary.

3. Aperion Surfaces's responsibility under these warranties only applies to hidden defects that were not visible before or during the installation of the Aperion Surfaces luxury vinyl flooring. Material installed with visible defects is considered accepted by the owner.

4. These warranties do not apply to Aperion Surfaces luxury vinyl flooring that has been subject to abnormal use or conditions or abused in any way. "Abnormal use or conditions" includes, but is not limited to, damage from plumbing or appliance leaks, storms, or floods; damage from smoke, fire, or other casualty events; damage caused by negligence or improper alterations of the original manufactured product. "Abuse" is any use of the flooring that is unreasonable considering the normal and expected uses of Aperion Surfaces luxury vinyl flooring in a residential or light commercial environment. These warranties apply only to indoor installations of flooring in dry and climate-controlled conditions. The feet of furniture must always be covered with appropriate protective material. Chairs, sofas, or furniture with casters must be fitted with soft rubber wheels and placed on an adequate protective mat, or casters must be placed in protective caster cups.

5. These warranties apply only to first quality Aperion Surfaces luxury vinyl flooring purchases. Aperion Surfaces is not responsible for damages to the extent caused by a failure to install product in accordance with Active Spaces Installation, Care and Maintenance Document over approved substrates and underlayments or a failure to use the recommended adhesives and seam bonds/sealers. The warranty period begins on the date of the original installation.

6. The Waterproof Warranty excludes damage to furniture, fixtures, walls, subfloors, moldings, trims, underlayments, radiant heating elements, or anything not related to Aperion Surfaces luxury vinyl flooring. Any damage resulting from mold and mildew growth is not covered under the Waterproof Warranty.

7. For pet-related issues, clean any affected area immediately. Any scratching and/or staining resulting from urine, feces, or vomit from anything other than a domestic pet is not covered under these warranties. PLEASE CONTACT TECHNICAL SERVICES AT (201) 962-2090 WITH ANY QUESTIONS.

8. Walk-off mats must be placed at all exterior entrances to protect Aperion Surfaces luxury vinyl flooring from soil, grit, deicers, asphalt sealers, and other contaminants capable of damaging the flooring. Suitable walk-off mats should contain both soft and firm fibers to facilitate removal of wet or solid contaminants from shoe soles. An extra set of walk-off mats should be available for each entrance so the mats can be replaced and cleaned weekly during routine maintenance, or more often depending upon site and weather conditions. This routine will prevent walk-off mats from becoming the source of tracked-on contaminants. Walk-off mats should be large enough to allow adequate soil removal.

9. These warranties do not apply to damage from exposure to extreme heat or sunlight exposure,

dryness, or stains as a result of chemical or industrial products (other than recommended cleaning products).

10. These warranties exclude damage caused by hydrostatic pressure (water or moisture under the floor that is transmitted to the surface through exerted pressure) or other conditions related to water or moisture originating below the floor.

11. Material must be checked carefully for defects before and during installation and under sufficient lighting. Products with visible defects must not be installed under any circumstances. The retailer must be informed in writing of such defects within 15 days. After this time has elapsed, no further claims will be accepted. Color and gloss issues resulting from material added to an existing installation at a later date and non-warranty related repairs are excluded from coverage.

12. These warranties do not apply to gaps that are 1/16 inch or less (1.57 mm) or gaps around the perimeter/fixed objects. Baseboard and/or quarter round should be used to cover all such gaps.

13. This warranty document is a legal document and sets out the sole obligations of Aperion Surfaces, so please be sure to read this warranty document in full. No person, party, or entity is authorized to modify or extend these warranties without express permission of Aperion Surfaces. These limited warranties give you specific legal rights and contain the entire scope of Aperion Surfaces's responsibilities, and you may also have other rights that vary from state to state.

14. EXCEPT THOSE STATED IN THIS WARRANTY DOCUMENT, Aperion Surfaces MAKES NO OTHER WARRANTIES, EXPRESS OR IMPLIED. EXCEPT WHERE PROHIBITED BY LAW, ALL OTHER WARRANTIES — INCLUDING, BUT NOT LIMITED TO, IMPLIED WARRANTIES OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE — ARE EXPRESSLY DISCLAIMED AND THEREBY EXCLUDED. NO WARRANTIES — EXPRESS, IMPLIED, STATUTORY, OR OTHERWISE — EXTEND BEYOND THOSE EXPRESSLY SET FORTH IN THIS WARRANTY DOCUMENT. CONSEQUENTIAL, SPECIAL, AND INDIRECT DAMAGES ARE EXPRESSLY EXCLUDED AND DISCLAIMED.

Please note that some states do not allow for the exclusion of consequential damages, in which case the foregoing may not apply to you.

TO THE EXTENT ALLOWED BY LAW, APERION SURFACES' ENTIRE LIABILITY AND THE EXCLUSIVE REMEDY IS CONTAINED IN THIS WARRANTY DOCUMENT. APERION SURFACES' TOTAL AND COMPLETE LIABILITY UNDER THESE WARRANTIES IS LIMITED TO THE ACTUAL COST OF REPAIR OR REPLACEMENT OF ONLY THE AFFECTED AREA OF THE PRODUCT MEASURED TO THE NEAREST WALL, DOORWAY, OR ENTRANCE. APERION SURFACES' RESERVES THE RIGHT TO CORRECT ANY DEFECT PRIOR TO THE FLOORING BEING REMOVED, REPLACED, OR ANY SETTLEMENT BEING OFFERED.

15. THESE LIMITED WARRANTIES CONSTITUTE THE ENTIRE AGREEMENT OF THE

PARTIES, AND NO WAIVER OR AMENDMENT SHALL BE VALID UNLESS IN WRITING AND SIGNED BY AN AUTHORIZED REPRESENTATIVE OF APERION SURFACES.

3. Manufacturer does not recommend the use of casters on any flooring without appropriate chair pads.

4. By "implied warranties," Aperion Surfaces means warranties that the law presumes to have been given by the seller even though they are not set out in writing. PLEASE NOTE: Some states do not allow the exclusion or limitation of incidental or consequential damages, or limitations on how long an implied warranty lasts, so the above limitation or exclusion may not apply to the original owner.

CARE & CLEANING

Your Aperion Surfaces luxury vinyl flooring will provide years of enjoyable use. You will find that it is not only beautiful, but durable. It is also much easier to maintain than most other flooring products, thanks to its tough protective finish and moisture resistance. It only takes a few simple care and maintenance steps to keep your Aperion Surfaces floor looking beautiful for years to come.

Preventative Maintenance

- Prevent indentations and scratches with the use of nonstaining floor protectors on the legs of chairs, appliances, and all heavy furniture. Floor protectors should be at least one inch in diameter.
- Do not flood floor or subject to standing water.
- Protect your floor from tracked-in dirt by using mats at all outside entrances. Mats should have a nonrubberized backing and be marked as nonstaining.
- Avoid tracking in tar or asphalt from driveways.
- Avoid high-heeled shoes on your floor, as they can cause permanent indentations.
- Protect your floors against burns. Burns from cigarettes, matches, or other extremely hot items can cause permanent damage.
- Avoid exposure to direct sunlight for prolonged periods, as this can cause discoloration.

Cleaning and Maintenance

- Spills should be cleaned up immediately.
- Use a damp mop to remove loose dirt.
- Wash the floor with nonabrasive, neutral pH floor cleaner.
- Thoroughly rinse the entire floor with fresh, clean water. Remove rinse water and allow the floor to dry completely.
- A residential steam mop may be used provided the steam is applied to a microfiber pad and not applied directly to the floor. Make sure to set the temperature of the steam mop to the appropriate setting for vinyl floors, or to the lowest setting. Steam mop in the length direction of the planks only.

DO NOT use the following on your Aperion Surfaces floor:

- Soap-based detergents
- Abrasive or mop-and-shine products
- Floor wax
- Ammonia
- Vacuum cleaner with a rotating beater bar

Always read the cautionary information on all cleaners prior to use, and try in an inconspicuous area to ensure desired results.

IMPORTANT: Never push, pull, or drag furniture, appliances, or other items across the floor. Always place hardboards over flooring or lift and carry furniture and other heavy items.

This warranty is not transferable, not assignable and it extends only to the original purchaser. Aperion Surfaces flooring material purchased through the internet is NOT covered under this warranty.
